## Château Talbot

Decanter - 93

***Spearmint and blackcurrants on the nose with some gorgeous perfume too. Excellent intensity of blackcurrant juice, not fleshy, more linear and direct, the lightness of flavour balancing with fine, just gripping tannins that also offer touches of tobacco and toasted spice flavours. It's overall quite a delicate and well worked wine for the vintage, with gentle fruit persistence and a lifted finish. Will no doubt round out over ageing, giving more density to the really beautifully presented floral-touched bramble fruit. Elegance and class; promising indeed.***

***The 2021 Château Talbot is based on 71% Cabernet Sauvignon, 24% Merlot, and 5% Petit Verdot. It has lots to love and brings more density and depth than most in the vintage. Ripe red and black fruits, tobacco leaf, spicy oak, and a touch of chocolaty earth all emerge on the nose, and it's medium-bodied, with a rock-solid mid-palate, ripe tannins, and a great finish. It's impressive and well worth seeking out and buying, as you can drink bottle today or in 15+ years with no issues.***

Wine Spectator - 92

***Offers a solid core of crushed plum and black currant fruit, underscored by savory and tobacco accents and a light sanguine edge. Possesses just enough flesh to stave off the vintage's grainy side as a late iron note echoes. Cabernet Sauvignon, Merlot and Petit Verdot. Best from 2025 through 2035.***
